2016 Year 11 Activity Survey Results - Cornwall & IOS LEA

Report Date: 31/01/2017

The NEET % for 2016 is shown without adjustment so comparisons cannot be made with previous years which used the DfE methodology (Total NEETs as a % of the cohort less the not knows)

Only YPs who completed Year 11 in a maintained school, academy, free school, faith school, maintained special school, educated out of school or PRU are included in the analysis

The NEET, Not Known and Participating percentages may not total 100% as custody and moved away are not counted in either of these categories
