Further Information

If you are a parent or carer of pre-school or school-age children, Family Learning is for you. We take the mystery out of today's teaching methods so you and your children can enjoy learning together. Family Learning delivers free courses across Cornwall to help parents and carers understand the school curriculum, support their children's learning and meet other people in a similar situation. Building confidence, developing skills and extending knowledge are all part of the fun!

Transition to Secondary School

This free, short course for ALL parents/carers of new Year 7 pupils will help you to support and encourage your child with confidence as they embark on their Secondary School education!

You will learn about maths and English for this age group as well strategies for developing independence and study skills – help yourself; help your child!

What happens during the sessions?

Sessions will be friendly, informal and interactive – you'll learn by getting involved in activities and joining in with discussions.

There will also be tea, coffee and biscuits!

Do I have to pay?

No! Family Learning is free.

What about childcare?

We can help with childcare – ring **01872 327520** to find out more

Do I have to attend every week?

Yes, please – if you can!

What's the point of coming?

So you can learn more about how to support your child's learning – what's changed since you were at secondary school, helping with homework and all that. It's going to help you with your own skills too! And you never know where it might lead...

HOW DO I JOIN?

Please contact the tutor (details overleaf) to book a place or with any questions.

We look forward to seeing you on

Friday, 22nd September!
